

Gateway PA Medicaid Prior Authorization Requirements

Effective for Dates of Service 7/3/2017

Inpatient Services:

- Hospital inpatient admissions
- All other inpatient admissions (e.g. acute, skilled nursing facility, and rehabilitation)

Outpatient Services

- Potentially experimental, investigational or cosmetic services
- Durable medical equipment and any non-standard (i.e. deluxe) DME
- Outpatient therapies (physical, occupational, speech, chiropractic)
- Home health Care
- Prosthetics
- Behavioral Health
- Hospice
- Transplantation services
- Radiology management
 - [Link to NIA](#)
- Other covered procedures / codes (Details on next page)

Non Covered Benefits / Procedures

- Non covered benefits will not be paid unless special circumstances exists. Always review member benefits to determine covered & non-covered services

NOTE: Authorization does not guarantee payment of claims. A service or supply will be reimbursed by Gateway Health only if it is medically necessary, a covered service, and provided to an eligible member.

The authorization process continues to be subject to the maximum unit and program exception policies.
