

Provider Update

August 2017

SPECIAL EDITION

NOTICE OF PRACTICE/PRACTITIONER CHANGES!

One of the many benefits to the Gateway Health member is improved access to medical care through Gateway's contracted provider network. To ensure our members have up to date and accurate information on availability it is imperative that providers submit written 60 days advance notice of the following:

- Address changes;
- Phone & fax number changes;
- Changes to hours of operation;
- Primary Care Practice (PCP) panel status changes (Open, Closed & Existing Only);
- Practitioner participation status (additions & terminations) and;
- Mergers and acquisitions

The Gateway Practice/Provider Change Request Form can be completed for conveying practice/practitioner changes or notice on your practice letterhead is acceptable. The form is available on www.GatewayHealthPlan.com --select *Provider*, and then click on *Forms & Reference Materials*. As a reminder, the PA Department of Human Services (DHS) requires all providers to have current MPI information. It is critical that providers revalidate their information on a regular basis. If providers do not enroll/revalidate their information with DHS, no payments will be made.

Please submit your change request via fax or mail.
